Applicant's plan is in keeping with the architectural integrity of the neighborhood.

The LHAC also made the following findings:

1. The proposed change, erection, or demolition: Conforms to the design standards established.
2. The proposed change, erection, or demolition: Is compatible with the character of the historic property and the historic district and does not detract from their historic value.
3. The proposed erection, alteration, restoration, relocation or demolition, in whole or in part: Will not detrimentally change, destroy, or adversely affect any significant architectural feature of the resource.
4. The proposed erection, alteration, restoration, relocation or demolition, in whole or in part: Will be compatible with the exterior features of other improvements within the District.

Mauk stated that he didn't see the colors called out. Wieseman stated that the colors were listed on the rendering. Mr. Benton stated that the colors were approved by the LHAC.

Motion: Montgomery-Mills made a motion to approve this proposal as presented, in agreement with the LHAC.

Motion seconded by: Macknally

Discussion: none

Vote: The motion carried unanimously.
