

USING GISWEB TO LOCATE A COUNCIL DISTRICT

Locating your Council District can be achieved in multiple ways:

- Viewing the Map
- Finding Data
- Parcel Report

These same steps can apply to locating many other geographies that may apply to your property:

- Neighborhood
- Zoning
- Historic Districts
- And more...

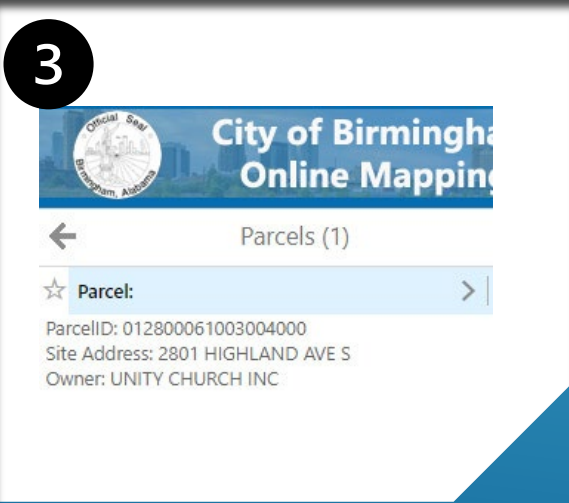

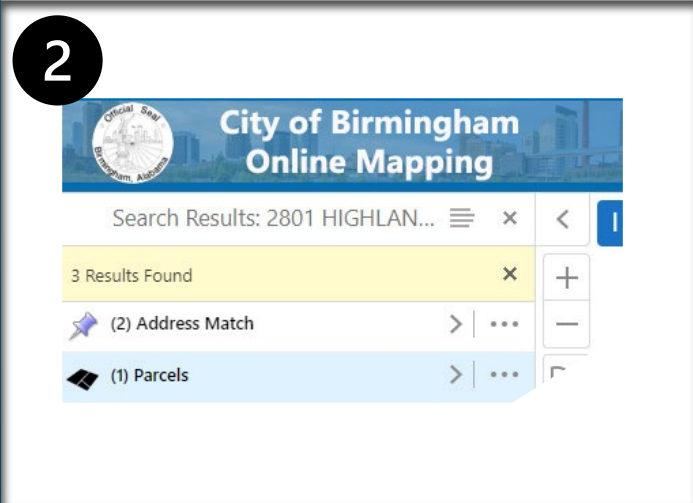

LOCATE THE ADDRESS OR PARCEL OF INTEREST

1. Input your address or 18 digit parcel number in the search box in the upper right hand corner.

2. View the search results and Select your best result. (Generally, parcels will be the best option)

3. Click on the header bar of the selected choice to zoom the map to the correct location.

VIEW YOUR LOCATION

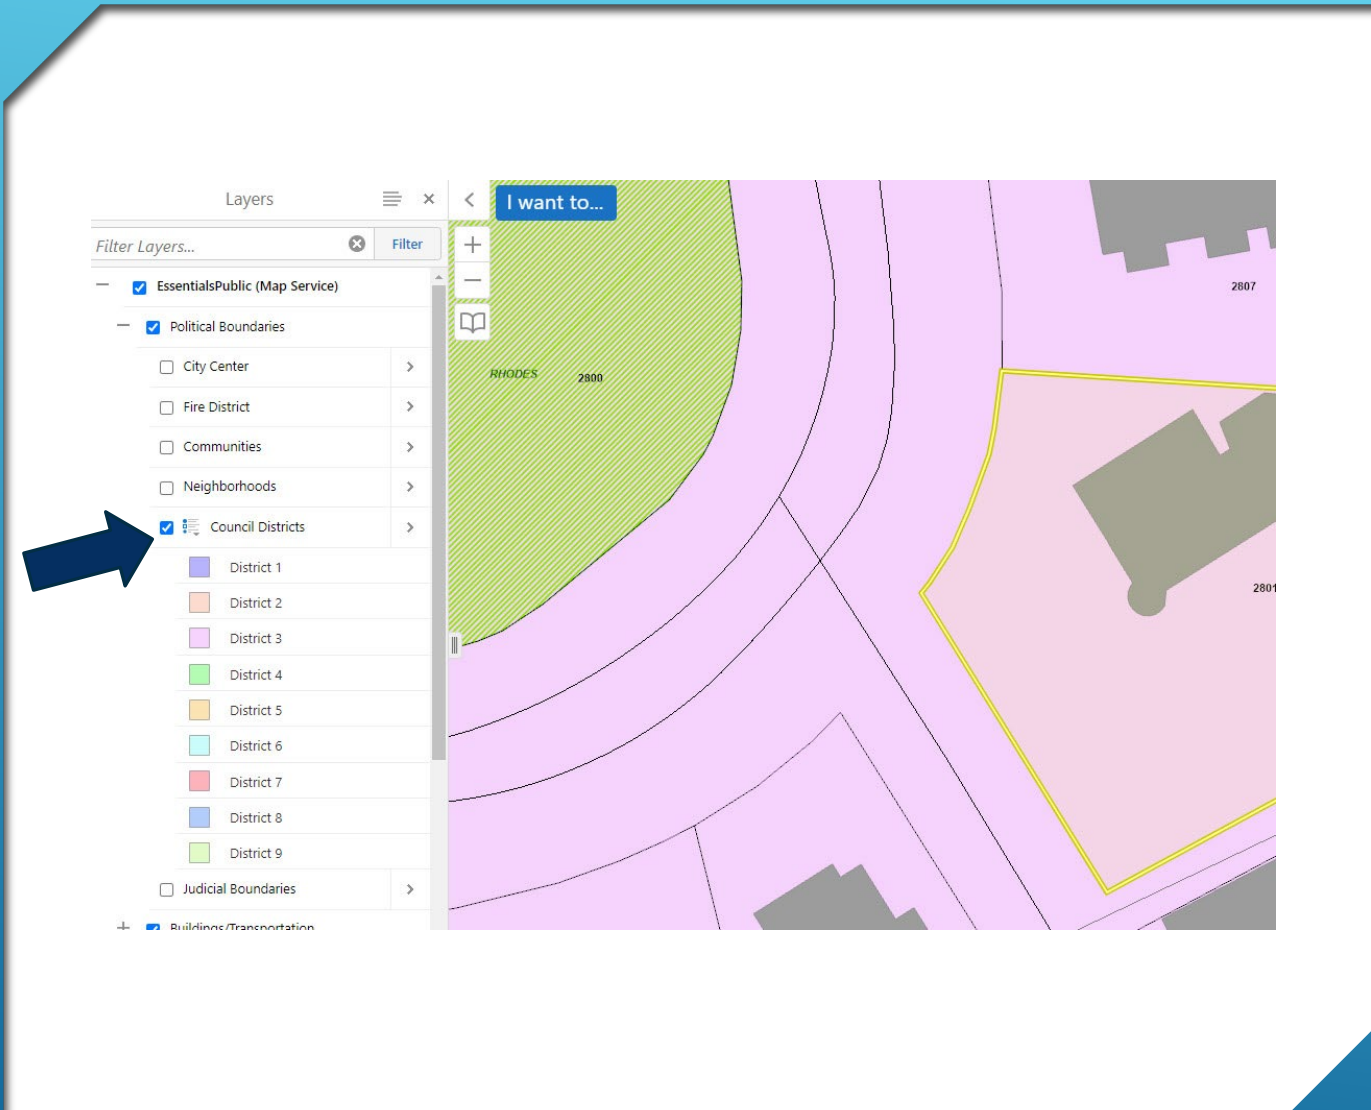

The map has zoomed to your location.

If Council Districts are not visible, turn them on.

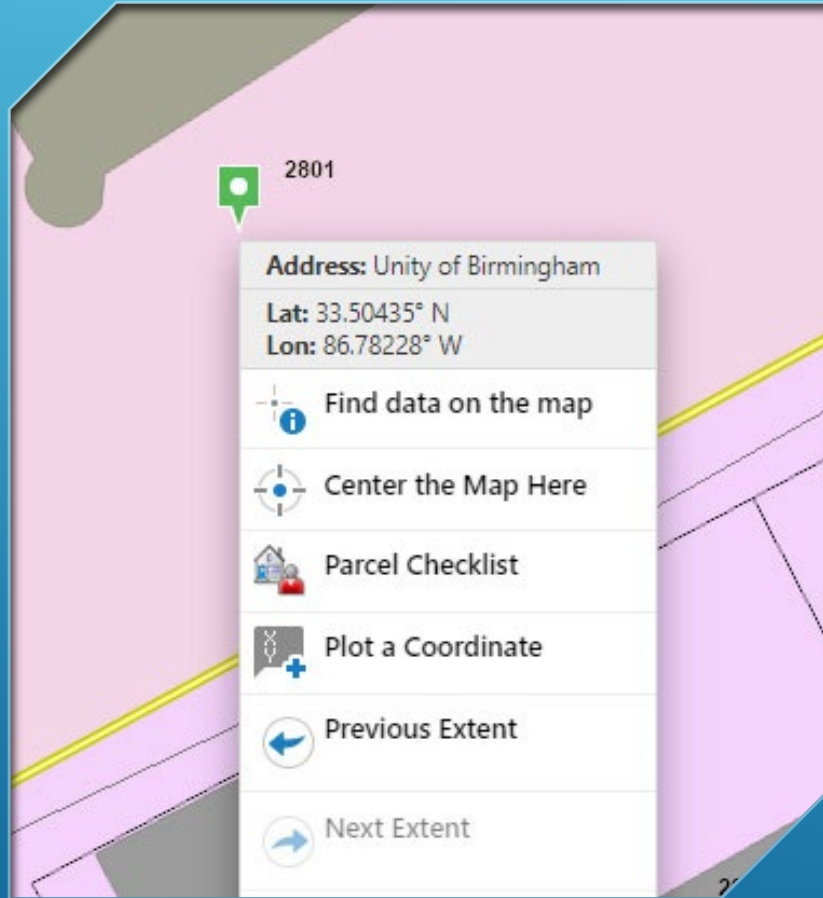

Continue to determine your council district.

OPTION 1: VISIBLY IDENTIFY YOUR DISTRICT

1. Expand the Layer List and locate Council Districts
2. Use the List Dropdown Button to view the legend for Council Districts
3. Visibly match the color of your district on the map to the legend.

OPTION 2: FIND DATA

1. Right click on your parcel view the context menu.
2. Click “Find Data On The Map”.
3. View the Identify Results in the left hand information panel.
4. Click on Council Districts.
5. This will tell you the district number and name of the councilor.

Option 3: Parcel Checklist

1. Click the “I want to...” button.
2. Choose “Parcel Checklist”.
3. Follow the on-screen instructions to run a parcel checklist.
4. Open the Parcel Report

The screenshot shows a web application interface. At the top, there is a navigation bar with a back arrow and the text "I want to...". Below this is a menu with several options: "Open", "Save", "Save as", "Download Maps", "Parcel Checklist", "Find data on the map", "Print", "View Bing Map", and "Change visible map layers". The "Parcel Checklist" option is highlighted. Below the menu, there is a map showing a parcel with the address 2801 Highland Ave S. The map is overlaid with various colored zones and labels, including "FSD-1", "FSD-2", "FSD-3", "ZONING DISTRICTS", and "SESSOR RECORDS".
